RE: ORC-158
Information Request of Silver Bowl, Inc.
Information Request of Lookout Mountain Mining and Milling Company

Dear Ms. Steiner-Riley:

I am writing to confirm my request by telephone for another extension on Silver Bowl, Inc., and Lookout Mountain Mining and Milling Company.

As I indicated to you on the telephone, Lookout Mining and Milling Company has \$40 in cash, about \$4,000 in accounts receivable, \$6,000 in accounts payable. Those figures are being verified by the accountant.

Silver Bowl, Inc., appears to have no cash or liquid assets. It does have accounts payable.

Neither company has any equities or stock that the accountant or myself are aware of.

Neither company has any insurance.

Lookout Mountain Mining and Milling Company has two parcels of real property assessed by the County Recorder. One parcel valued at \$26,780, the other parcel valued at \$9,000. We have not confirmed ownership of other properties as of this time. These are all undeveloped, unoccupied, unmined properties. They may have been mined 50 or more years ago by the Bunker Hill Mining Company, although we are not able to verify that and continue our investigation.

Silver Bowl, Inc., has two parcels of property that we have been able to locate and confirm. One is valued at \$21,600, the other is valued at \$530. Those values are established by the Shoshone County Assessor's Office, which may or may not represent current fair market value.

All parcels for both companies have taxes in arrears for three years or more. The current taxes are still not paid.

The Silver Bowl parcels were subject to an agreement of Bunker Hill Mining Company in 1956. To our knowledge, Silver Bowl did not participate in any development work or exploration work at that time and did not receive a royalty or compensation for any mined ore. That entire operation was more likely than not conducted by the Bunker Hill Mining Company over 50 years ago.

I will provide you with more information as it develops, and I will provide you with the accountant's information as soon as I receive it.

Thank you for your courtesy and cooperation.

Sincerely,

THOMAS M. VASSEUR
